* NewpathDirect is an Email and Web forwarding service that gives you 1) unlimited email aliases that can be forwarded to any email address of your choice, and 2) the ability to forward your domain name anywhere, hiding the address that it is sent to. This is very handy if you have free hosting with your ISP.

For all Domain Name policies, please refer to www.aunic.net/policies.html
 Two choices for a Domain Name are required. Please specify in order of your preference.
 Only one '.COM.AU' Domain Per ACN or ABN is allowed
